CONFERENCE

India's flagship event, Bengaluru Tech Summit has evolved over two decades as a Premier ICT, Electronics and Biotechnology Summit. Powerful Conference has been a strong component of the event, right since its inception providing comprehensive view of critical, technical, commercial, policy issues facing the industry. The International Conference will bring together top technology experts, futurists, policy makers, research heads and industry captains from all over the globe to indulge in invigorating sessions. Eminent personalities will deliberate on thought leadership while expert speakers will give insights into the latest industry trends, future opportunities and innovators will present the path breaking ideas.

The conference will have 250+ expert speakers with over 4000 delegates which will be developed with the support of leading Industry associations/organizations.

SPECIAL PROGRAMS

► Thought Leaders Conclave

The IT and BT Thought Leaders Conclave will be a power packed evening with Industry Captains from the IT & BT Industry as well as Policy Makers coming together on a single platform to throw light on the challenges ahead, uncover potential opportunities and discuss the means to achieve exponential growth.

► Global Innovation Alliance Zone (GIA)

The GIA Zone provides a unique and interactive showcase of the latest innovations from the top startup hubs from across the globe. A showcase of the latest technology products, innovative and revolutionary solutions identified to impact and change the industry today and in the future.

► Bengaluru Tech Exchange

An increasingly popular concept at the Bengaluru Tech Summit offers a unique lab to market platform to host and showcase research ideas and potential innovations to IT & BT industry and help to capitalize, exchange ideas and accelerate its successful development. This is a great opportunity which helps incubators to reach business investors and to get businesses off the ground.

► Bio Excellence Awards

The BioExcellence awards offer individuals and companies with a platform to showcase their contribution and value addition in the field of Life Sciences and Biotechnology. Exhibitor awards recognize the best designed & informative Booth along with Poster Awards presented for the most original or innovative idea presented during the programme.

► Showstoppers (Product Launches/Demo)

Let the world capture the magic of your revolutionary launch by kick starting your product promotions the ideal way. We give you the stage to make your launch day a memorable one, one that puts the focus on the people and not just the product. With a diverse gathering of the industry's most legendary creators & achievers, we help you turn your product launch into an elite event. Launch your product to a global audience at Bengaluru Tech Summit, and turn your product release into something worth talking about.

► Start-Up Zone

As the India's largest tech event, The Bengaluru Tech Summit provides several specialized opportunities for start-up and emerging companies. Innovation Zone (Start-up Pavilion) was designed to provide the perfect opportunity to interact with entrepreneurs, angel investors, venture capitalists, mentors and accelerators and win a chance to showcase your innovative ideas to global audience.

INNOVATION
& IMPACT
2.0

► R²-RoboRecharge

Witness the world-class Robotics Competition - RoboRecharge at Bengaluru Tech Summit 2019. This competition will challenge innovative minds to solve real-world problems under various categories. The competition involves design, build and program robots to complete different themed missions along their journey and develop innovative-thinking, team-building, and problem-solving skills in the learning process.

► IT Export Awards

STPI recognizes IT companies based on their performance and contribution to the industry by bestowing Export Awards in different categories every year at a star studded evening. An eminent jury committee consisting of representatives from STPI, Government of Karnataka, Academia and Industry recommends the deserving awardees covering entire spectrum of IT, ITES and Electronics & Hardware Exporting Companies.

► Makers

This is a platform to showcase for anyone who is embracing the DIY or do-it-yourself (or do-it-together!) spirit and wants to share their accomplishments with an appreciative audience and rub shoulders with other makers. It is a place where technologists, hobbyists, tinkerers, artisans, craftspeople, entrepreneurs and the merely curious gather together to celebrate, inspire and get inspired!

48 HRS. NON STOP HACKATHON

The Government of Karnataka invites coders and enthusiasts to envision and build prototypes across government departments. Whether you are a competitive developer or a UI/UX expert, this three-day event is an ideal platform for you to interact with the government and unlock your potential to ideate, invent and develop.

► Poster - Walkway of Discovery

Poster sessions allow for greater audience engagement and has gained immense popularity overtime. Posters exhibited by young researchers showcase newness each time with their excellent research and innovative ideas that have the potential to make significant impact in the field of life sciences and biotechnology.

► B2B Meetings

The partnering tool helps schedule targeted meetings using our One-on-One partnering application and set up face-to-face meetings with the leaders in IT & Biotech, Heads of reputed research institutions and policy makers from state & central government. This application aims to make maximum use of time and facilitate access to relevant audience with a wide spectrum of opportunities.

NIGHT DRONE RACE - V2

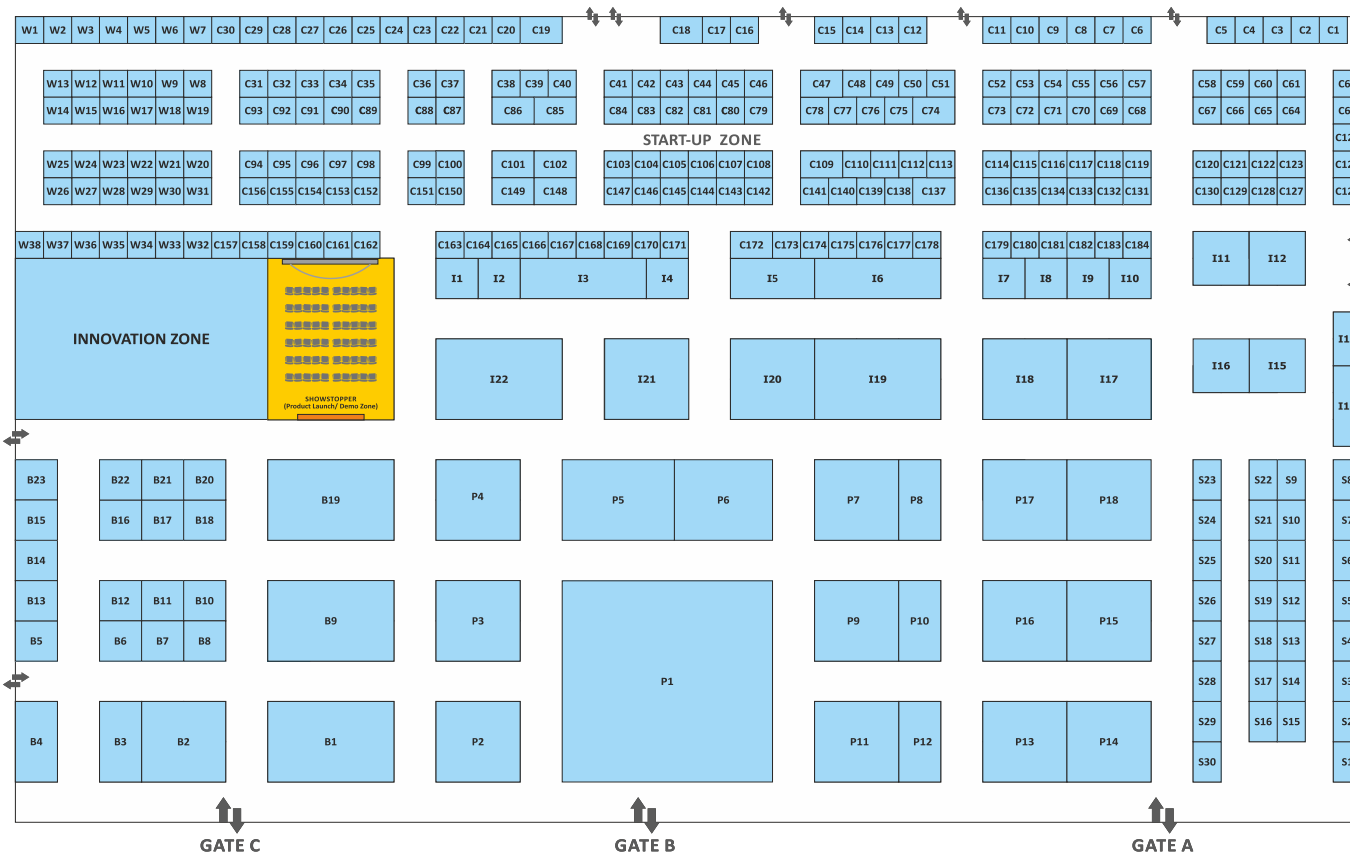

After a stupendous success we bring to you India's biggest and most extravagant Drone Racing competition again. The top drone racing pro-pilots in the country will face off in this battle of the titans to prove their racing skills in front of huge audiences at the Bengaluru Tech Summit 2019.

- Night LitUp Tracks • Music & Fun

EXHIBIT PAVILIONS

- IT • BioTech • Global Innovation Alliance Zone • Tech Experience Zone • STPI Pavilion
- Bengaluru Tech Exchange • States of India • Banking • Start-Up Zone • Maker

FLOOR PLAN

SPONSORSHIP

We have a range of sponsorship opportunities to maximize the organization's exposure to key stakeholders. Sponsors will receive acknowledgements, benefits and entitlements according to their level of sponsorship.

Event is being promoted through Industry Publications, News Dailies, Electronic and Social Media through Associations and Trade Missions to inform and generate interest and bring in the Target Audience. This is an excellent platform to showcase your technologies, solutions, products, services and innovations providing ample opportunity to gain ultimate business exposure.
