Between 1997-2017, outbound tourists from India grew from 3.5 million to 21.9 million, making it the fastest-growing market behind China. Studies projected a Indian outbound tourism spending of US $ 14,700 million in 2017, which was surpassed & reached a spending of US $ 18,000 million. The Indian government has realised the country's potential in the tourism industry and has taken several steps to make India a global tourism hub. The tourism industry is also looking forward to the expansion of E-visa scheme which is expected to double tourist inflow. India's own swelling, monied middle class - 250 million smartphone-toting young professionals out of a population of 1.3 billion - is starting to emulate its regional rival. In less than 10 years, the World Travel & Tourism Council expects India to become the fourth-largest travel and tourism economy behind China, US and Germany.

Some of the major initiatives planned by the Government of India to give a boost to the tourism and hospitality sector of India are as follows:

- Ministry of Tourism launches Audio Guide facility App called Audio Odigos for 12 sites including iconic sites.
- Prime Minister, Mr Narendra Modi urged people to visit 15 domestic tourist destinations India by 2022.
- Statue of Sardar Vallabhbhai Patel - 'Statue of Unity' - inaugurated in October 2018 is the highest standing statue in the world at a height of 182 metre. It is expected to put India on the world tourism map and the total revenue generated till November 2019 is Rs 82.51 crore (US$ 11.81 million).
- The Government of India is working to achieve 1 per cent share in world's international tourist arrivals by 2020 and 2 per cent share by 2025.
- Under budget 2019-20, government introduced a Tax Refund for Tourists (TRT) scheme like in countries such as Singapore to encourage tourists to spend more in India and boost tourism.
- Under budget 2019-20, the government allotted Rs 1,160 crore (US$ 160.78 million) for development of tourist circuits under Swadesh Darshan. An additional fund Rs 1,854.67 crore (US$ 269.22 million) was also sanctioned for new projects.
- Under Union Budget 2019-20, US$ 82.27 million was allocated for promotion & publicity of various programmes & schemes of the Tourism ministry.
- In September 2019, Japan joins a band of Asian countries, including Taiwan and Korea among others to enter into the Indian tourism market.
- The Ministry of Tourism sanctioned 18 projects covering all the North Eastern States for Rs 1,456 crore (US$ 211.35 million) for development and promotion of tourism in the North Eastern Region under the Swadesh Drashan and PRASHAD Schemes.
