Greetings from Spices Board India!

Dear Sir/Madam,

I take great pleasure in announcing that the registration is now open for the much awaited 14th edition of the World Spice Congress which is scheduled to be organized during the 16th, 17th and 18th of February 2023 in Mumbai. The iconic and beautiful 'CIDCO Exhibition and Convention Centre' at Navi Mumbai, Maharashtra, India, will be the venue for the event. The upcoming event will be organized by the Spices Board India, in collaboration with various trade bodies and exporters' associations representing the Indian Spice industry. With guidance and support from the Ministry of Commerce & Industry, Govt. of India, the event will be scaled up and organized in great grandeur and detail as an international mega event befitting the occasion of India's G-20 Presidency in 2023. Scheduled to be held just prior to the 'Gulfood – Dubai', the WSC would provide a great business opportunity to enhance your business in spices with added purpose, focus and impact.

The 14th World Spice Congress 2023 in India, would present to you an excellent opportunity of meeting the global Spices fraternity under a single roof, provide for direct interactions with global spice traders, facilitate a way forward on key challenges in the sector through meaningful deliberations, and disseminate latest information and trends pertaining to the Global Spice Industry. Very aptly, the theme chosen for the forthcoming 14th WSC is "Vision 2030 – SPICES, where 'S' stands for Sustainability; 'P'-Productivity; 'I'-innovation; 'C'-Collaboration; 'E'- Excellence & and 'S'-Safety. The highlight would be the participation of policy makers, industry leaders, regulatory authorities, senior Government officials and technical experts in large numbers in the event, with adequate focus on G20 countries, which as a group also make up the largest import destination for Indian spices.

As you are aware, over the last 32 years since its inception in 1990, the WSC has set a hallowed tradition of being the premier forum in the World Spice Industry, for strengthening business connections, updating on the latest trends, technological advancements, cutting edge innovations, novel products as well as on resolving the challenges in the sector.

For the ensuing edition, we are taking special efforts to invite key policy makers, regulatory authorities, spice trade associations, key Government officials as well as technical experts in large numbers, ensuring adequate focus on G20 countries. In addition to the business sessions, the splendid exhibition, planned with more than 150 stalls and participation of all leading spice brands and key stakeholders, would be one of the other main attractions of WSC 2023. India being the premier supplier of spices to the world, this would be a golden opportunity for the Indian spice industry to showcase its strengths and capabilities, advances in the value chain, latest innovations etc, before the global audience. On such a grand setting, in front of the who's who of the global spice industry, the prestigious 'Exporters Excellence Awards for Spices' will also be distributed.

I cordially invite all foreign as well as Indian delegates to register and be part of the WSC-2023 by logging on to www.worldspicecongress.com. A detailed mailer on the ensuing mega event is placed below for your kind information. Please stay tuned for further developments and updates of the event.

We look forward to having your active participation in WSC 2023 and we are eager to meet all of you in February 2023 at Navi Mumbai. The WSC 2023 would definitely provide you an immersive and spicy Indian experience.
