

Uttar Pradesh NRI Department - Reconnecting with NRIs

The government of Uttar Pradesh has embarked an initiative to create a forum for building effective and meaningful relations to strengthen the engagement of overseas Indian community. Uttar Pradesh (UP) is committed to making a significant contribution towards the best business and investment destination in India and ranks second in terms of economy, playing the role of the growth engine for the country. Various business reform initiatives, Policy support and sectoral interventions have led to all round development of the State.

Realizing the need for forging a symbiotic relationship between Uttar Pradesh and its diaspora, the State Government has set up a **full-fledged NRI department** which has been playing a very vital role in strengthening linkages between U.P. diaspora and several other diaspora communities, International trade and investment forums, Chambers of Commerce spread across the globe and motivating them to bring in investments to the State and extend all possible assistance in the challenging times.

Understanding the importance of UP NRIs, the government of UP have accorded high priority to matters that are reported or referred by the NRIs. The integrated website <https://nri.up.gov.in/> has been launched by the department to facilitate NRIs from UP.
